VI Workshop on Oxide-based Materials
Perspectives in Material Science and Technological Applications

 Joined with
AIZ DAY 2016 – Annual Meeting of Italian Zeolite Association
21st - 24th of September 2016, Napoli - Italy

First Announcement

Covered Topics
- Synthesis and characterization of oxide materials (bulk, layered and porous)
- Structural and computational studies
- Natural oxide materials
- Biomaterials
- Sensors
- Catalysis
- Industrial, energy and environmental applications
- Advanced applications in nanotechnology

Venue
Centro Congressi Università degli Studi di Napoli Federico II, Via Parthenope, Napoli

Committee of Honor (Founders and former organizers of the workshop series)
- Carmine Colella
- Salvatore Coluccia
- Aldo Gamba

Chairs
- Domenico Caputo, Università di Napoli Federico II
- Ettore Fois, Università dell’Insubria
- Leonardo Marchese, Università del Piemonte Orientale
Scientific Committee
Elena Basaldella (Argentina)
Jiří Čejka (Czech Republic)
Giuseppe Cruciani (Italy)
Aleksandra Daković (Serbia)
Girolamo Giordano (Italy)
Roberto Millini (Italy)
Francesco Pepe (Italy)
Joaquin Perez-Pariente (Spain)
Fernando Rey (Spain)

Invited Speakers
Stefano Brandani (United Kingdom)
Johannes Frenzel (Germany)
Athanasios Godelitsas (Greece)
Robert Raja (United Kingdom)

Local Organizing Committee
Paolo Aprea
Bruno De Gennaro
Nicola Gargiulo
Fabio Iucolano
Barbara Liguori
Luciana Lisi
Ottavio Marino

Secretariat
Ilaria Capasso
Antonio Peluso
Phone: +39 (0)81 768 2392
Fax: +39 (0)81 768 2394
E-mail: oxide2016@unina.it

Organization
Meeting & Words
Via Caudina 20,
81024 Maddaloni - Caserta (Italy)
Phone: +39 (0)823 437898
Fax: +39 (0)823 403141
E-mail: info@meetingwords.it
Web site: www.meetingwords.it

Key-dates
15/02/2016 Call for Abstracts
15/04/2016 Deadline for Submission of Abstracts and Registration Form
15/06/2016 Notification of Acceptance
01/07/2016 Deadline for Payment of Early Bird Registration Fees
15/07/2016 Preliminary Conference Program
